# Grants Overview

## Unrestricted Community Grants

April 1 and October 1 Deadline for 2020

The Jasper Newton Foundation Inc. accepts grant applications to our respective Community Funds two times a year in both Jasper and Newton Counties.

### When applying for a Community Fund Grant:

#1. You are strongly encouraged to call the Foundation office and share your idea with our Executive Director or Program Director before submitting your formal application.

#2. Once you have made your phone call – you may find our application at the following website for printing:

[www.jaspernewtonfoundation.org](http://www.jaspernewtonfoundation.org)

Click on “Apply for a Grant” tab.

The **Community Fund Grants** are designed to help our local organizations with capital purchases that are significant to building their capacity to serve the community, address an emerging need in the two-county area, and are a catalyst for community action pride.

### The Foundation is unlikely to fund (or will not fund) the following:

Reduction of debt (including previous purchase reimbursement).

Travel, Salaries, Attendance at conferences or seminars.

Grants to Individuals, Churches for the promotion of their religion, annual giving campaigns, National Organizations or Political Activities.

**If you have received a grant within the last 12 months – you are not eligible.**

**If you have a balance remaining on a previous grant or incomplete final grant report – you are not eligible.**

The Jasper Newton Foundation **strategically** seeks out applications from organizations who are planning projects that fit the following criteria:

Provide **BIG** Benefit for a **LARGE** part of our community.

Create partnerships with other local agencies.

Encourage matching \$\$\$ from another donor or organization.

**NEW** ideas not being offered here.

**BUILD THE CAPACITY OF YOUR ORGANIZATION.**

Innovative ideas that need “seed money” to get started.

# Grant Procedures

## What you can expect.

Our Grants Committees and County Boards spend a lot of time looking into your requests and discussing the merits of each case.

When you turn in your grant application it begins a unique journey through the Jasper Newton Foundation. The Program Director and Executive Director review all the applications initially, to make sure they were filed on time, are complete, and there are no glaring issues. Copies are made of certain components (if necessary) and then grants are assigned to a County Advisory Committee Volunteer in your county. This is the special person who will be reaching out to you and your board or staff to verify your application and ask any questions they might have during the review.

April 1 and October 1 Deadline for 2020

\*\*Applications must be postmarked BY or delivered ON the Due Date to be eligible. If you mail it the day of or later – we will not accept your application.

The grant review process usually takes between 4-6 weeks, to get final approval from the Governing Board of the JNF.

You will be notified in writing regarding the outcome of your application. The correspondence will provide the next steps for you if your grant has been approved. Your grant acceptance and Final Report will all be completed online. You have 12 months to file your Final Grant Report.

As always, our helpful staff is ready to assist you in all of these processes.

Mail your completed application and **3 copies of your grant packet to:**

## Application 2020

## OVERVIEW

### What to include in your Grant Application Packet

The things you include in your packet are critical for our volunteers to evaluate your program and decide if it is the right funding situation for the community foundation.

**#1.** Make sure to include the Application Front Cover Page. This is the basic “who’s doing what” information, but it helps us catalog the application quickly and gives us contact info at our fingertips.

**#2.** Listing of current Officers and/or Board of Directors. We want to know who is helping your organization be the best they can be. We also want to be able to ask them questions about your project and how important it is to your organization and community.

**#3.** Financial Reports. We would like to see your **Current Year Budget** and **Statement of Financial Position** (assets). This helps our team know what you are working with and also gives us a chance to see if we recognize any red flags in your finances.

**#4.** IRS 501(c)(3) Designation Letter and most recent IRS 990 tax filing. Please talk with our staff before submitting.

**#5.** The Narrative of your program with the following sections:

- Outline of the Project’s Goals and Objectives
- Plan of Implementation
- Project Budget
- Staff/Volunteer facilitating
- Expected Outcomes
- Method of Evaluating the outcomes of your project
- Why this is so important to a large part of our community and what partnerships were created with this project?
