

# Women's Circle of Giving

*“Alone, we can do so little; together, we can do so much” -Helen Keller*

Joining a **Women's Circle of Giving** has never been so easy or rewarding! When you join, you partner funds with other women of your community to make a collective impact - *together*. The commitment is easy on your calendar with meeting 2 times a year and no fundraisers or bake sales. Members are your neighbors and each \$100 tax deductible donation stays in your own town through grants you help make the funding decisions on.

Since 2024, Women's Giving Circles have granted more than \$181,000 back in our local communities!

**Celebrate the power of women who give - join a circle today.**

Please make your tax deductible donation out to the Jasper Newton Foundation.  
Circle which town you wish to join & write the town name in the memo line on your check:
